

Hobbybrew CO₂ Original (Small) Cylinder

Pure CO₂. Perfect Carbonation. Professional Dispense Quality.

Product Overview

The Hobbybrew CO₂ Original Cylinder is a compact, rent free beverage gas cylinder filled with 100% Carbon Dioxide (CO₂). Engineered for beverage dispense systems, it provides crisp carbonation, strong fizz retention, and a clean, consistent pour across a wide range of drinks.

Ideal for bars, pubs, restaurants, breweries and home bar setups, this cylinder delivers professional performance without the ongoing rental fees typically charged by traditional cellar gas suppliers.

Gas Composition & Performance

- **Composition:** 100% CO₂ (beverage grade purity)
- **Dispense Quality:** Provides bright carbonation and strong effervescence
- **Suitable For:** Lagers, ciders, soft drinks, sparkling beverages & water
- **Head Retention:** Enhances foam stability in beer and improves clarity
